### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: As a result of applicant having submitted a verified translation of the priority document, the rejection in view of Grolle is overcome. The claims are deemed to define over the reference to Nabuurs in that the covering elements of Nabuurs engage a guide rail, not an outer skin. The claims are deemed to define over the reference to Sturt et al. in that the reference to Sturt does not completely remove the covering element from the slot.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dennis H. Pedder whose telephone number is (703) 308-2178. The examiner can normally be reached on 5:30-2:00.
